CLUB NEWS - January 1996

CLUB NEWS Our first newsletter of the year!
This will be another 1 pager since the editor has been very busy!

SUNDAY RIDES:

Our Sunday rides have slowed down a bit with the coming of actual winter weather. Our last one was in November (or was it early December?), with a ride through the pine barrens, coffee at Lucille's (Warren-Grove, RT 539), a stop at the end of Great Bay Boulevard (AKA 7 Bridges Road) in Tuckerton and lunch on Rt 9 on the way home.

Nice ride - Prez Don got to try out his new heat wiring on FrankenCycle, and we were joined by a new Sunday Rider - John Calvano on his R100RT. Participants were (and forgive me if I forget anyone) - Bill Brown, Rich Reigler, John Calvano, Don Eilenberger, Dennis Swanson.

An updated Sunday Riders List is in this issue - if you're interested in getting on it - call Don Eilenberger (908-449-1533)

HOLIDAY PARTY!

Our first holiday party was well attended on December 13th, with 22 members braving the weather for a dinner at Edgar's Pub in Sea Girt!

It was great getting together with the members and friends (and wives), and sharing some holiday spirit! We were also happy to have Frank and Diane from Sun Cycle as our guests - it was a small way to repay them for their hospitality in putting up with us for the past year!

MANY thanks to Dennis Swanson for helping to make this event happen!

NEXT MEETING!

Our next meeting will be delayed one week - and held on January 17th (the 3rd Weds of the month), due to commitments (work) by President Don.

Please try to attend this meeting. President Don NEEDS your help in running the club, and is looking for volunteers to help with:

- **Newsletter** - articles and columns, printing, mailing.
- **Activities** - club sponsored activities (runs, rallies, etc.).
- **Public Relations** - club publicity and community involvement (charities, etc.).
- **Club Stuff** - patches, T-Shirts, parties.

Think about what role you can play to help out the club! Due to increasing work commitments, President Don will be forced to limit the amount of time he can spend with running club business! **YOUR HELP IS NEEDED!**

We also plan at this meeting to start disassembling Kent Seydell's BMW single for restoration - so it should be an interesting meeting! **PLEASE TRY TO ATTEND!**

Next Meeting

WEDS, January 17th - 8PM, Sun Cycle!

Welcome to New Members!

Our club has grown again - and our new members are:

- George Hoffman, Brielle, '94 K75
- Frank Kirkleski, Pine Beach, bike-unknown
- George Hickman, Bordentown(?), bike-unknown

CHECK YOUR MAILING LABEL!

Check your address, and your dues status! If your label has a line on the top which says "Dues Due!" either we don't have an accurate record of your 1995-96 dues payment (due in November 1995), or you haven't paid, or you are a new member who has not sent in their dues and membership application.

This is the last issue that will be sent to members who have not paid their 1995-96 dues!

If **ANYTHING** on the label is in error - please contact Don Eilenberger at 908-449-1533 **IMMEDIATELY!**

Heard on the Internet!

BMW-NA is reducing the warranty coverage on the 1996 models. The new warranty is now for 3 years and 36,000 miles. The 1995 models still available carry the 3 years unlimited mileage warranty!

AutoTrain (AMTRAK) is now offering motorcycle transport between Lorton VA and Orlando FL. Costs are dependent on the time of year you're traveling. Rough estimate of round-trip cost for Bike Week in March is \$300 for bike and rider. Contact AMTRAK for details!
