CLUB NEWS - December - 1998

## November Tech Night at Cross Country

If you weren't there - you missed a great tech night. Over 30 people showed, and enjoyed the hospitality and knowledge of the Cross Country staff!

The highlight of the evening was probably Bob Wrublewski's talk on tire care and selection (Bob's experience in road racing came in handy here!) and then making and fixing a lot of flats in a tire/rim that Cross Country provided. Was hard to say if fixing the flat was more or less fun than making it (pounding a nail into a tire IS sorta fun - if it isn't your tire!)

Thanks MUCH to Dan Notte and all the staff (and Dan's wife) for the hospitality and welcome. We intend to have another tech session at Cross Country in the very near future!

Our last big club meal,  
Breakfast in New Hampshire!

## Annual Party December 11th!

Our 4th Annual Christmas/Holiday party will be held at our regular meeting place, BedRock Cafe, Rt 71 (Main Street), Bradley Beach on December 11th at 7PM.

As in previous years, the club will help offset the cost of the party (and spend down our treasury). Since BedRock doesn't have a liquor license, the club will provide beer and wine!

Cost will be about \$15 per person, and spousal-units, significant others are invited and very welcome (will give us a break from just discussing motorcycles and riding!)

Your dues must be current the night of the dinner (but, you can pay dues at the dinner).

**Please let Glenn Martin know if you're coming (732-583-3945) so we can give BedRock an approximate head count.**

In previous years this has been a great event, and well attended. Lets make it great again!

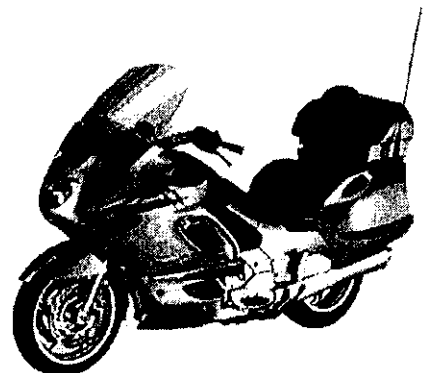

### Menu: Sit-down Buffet

Appetizers: "Peel your own" shrimp cocktail, Crudite (fresh vegetables and dip), cheese and crackers with port wine spread. Tossed Garden Salad and Caesar.

Dinner: Boneless breast of chicken francaise, penne ala vodka, sausage-peppers-onions.

Coffee, tea, soda, pastries and ice-cream

Was this top  
of your list  
to Santa?

If you haven't paid for 1999,  
your annual dues are **OVERDUE!**
